## PRINCIPAL'S POINTE

We are now into 4th Quarter and are very excited to have students back on our campus. As we continue to navigate hybrid learning, we look forward to ending the year safely and full of learning! Our 3rd through 8th grade students will be taking the AzM2 and we have confidence they will R.I.S.E to Success. Below you will find the state testing schedule for your reference.

At the April board meeting, Paseo Pointe highlighted our Dual Language Spanish Immersion program with 4th grade students in Mr. Herrera and Ms. Ackie's classes. Students read their Spanish text while focusing on the main idea.

## Preparing for state testing

All 3rd through 8th grade students will take the state assessment, AzM2. Testing begins on April 8th and will run through May 14th. Students and teachers have worked very hard this school year to remain academically focused. We are very proud of our Rams and wish them the best of luck!
