Message from our principal Mr. Rohloff

Happy October! As we close out the month of September and move into October, I want to take a second to thank the families and staff of Paseo Pointe. Research across the nation is showing that there are high levels of anxiety across all age levels and vocations, even down to elementary age students. In this time of a pandemic that is compounded with high stress and anxiety, I am proud of the Paseo Pointe community for their commitment to our vision of **Empowering Excellence**. Staff, students and parents are all fighting through difficult times to be the best community we can be, and it is showing in our accomplishments! We completed our Hispanic Heritage Month Parade and wax museum where our students were allowed to explore many cultures and traditions that we hope will continue to spark their interest in learning. In addition, we are continuing to see many excellent lessons prepared and delivered in classrooms daily. As we are fighting through these unprecedented times, I am proud of the resiliency of our community as well as our hard work and dedication. We know that the education that the students receive at Paseo will be a great building block for the rest of their lives that no one will ever be able to take from them!

At Paseo Pointe we R.I.S.E to Success by being Responsible, showing Integrity, remaining Safe and being Engaged.

#EmpoweringExcellence

Dates to Remember

- 10/21-10/22 Early Release for Parent Teacher Conferences
 - 10/22 PTA \$1.00 Dress Down
 - 10/27 Fall Picture Retakes

| Latinx Heritage Month

In September we celebrated Latinx Heritage Month. Students researched Hispanic countries such as Argentina, Peru and Costa Rica

While studying these countries, students completed presentations, decorated bulletin boards and even participated in the 4th Annual Hispanic Heritage Parade!

Our 1st grade students researched and created posters for a human wax museum on a famous Hispanic person. Students dressed up as their famous person and presented in front of their classmates!

PBIS

Our school wide goal this month is to focus on solving conflicts safely on campus. Conflict resolution skills play an important role in healthy friendship development. Our goal is to support students in learning to manage emotions and conflict. With a few strategies, students can become problem solvers and maintain their friendships, even when conflict occurs.

Here are a few conflict resolution strategies students can use:
