Message from our principal Mr. Rohloff

Welcome to February! We have a lot to be excited about! First of all, We are in the “meat” of the school year where procedures have turned into routines and learning is at its peak. The students have set their goals and we are able to monitor their progress towards success.

We are also excited to kick off Black History Month. Our theme this year will be focusing on Black Excellence. So far we have learned about MLK, Frederick Douglas, Michael Jordan and other great individuals along with their contributions to our country! As always, we have a lot going on at Paseo, so big thanks to our staff for bringing learning to life for our students!

At Paseo Pointe we R.I.S.E to Success by being Responsible, showing Integrity, remaining Safe and being Engaged.

| Preparing for State Assessments

Teachers and students in 3rd through 8th grade have begun their countdown to state testing. Students are continuing to master standards and review skills which will support their success on the assessment. Assessments will cover grade level standards in Reading & Math for 3rd-8th grade and Science for 5th and 8th grade. We know our Rams will R.I.S.E to Success on the AASA tests!

PBIS

Spring time and spring cleaning is right around the corner! This month we will be focusing on doing what is needed to keep your area clean. At school you can support by taking part in our school beautification plan. And ensuring your area is clean. At home you can also consider looking for ways to keep your own home looking beautiful. Thank you for our continued partnership in teaching our students to be their very best.
