Message from our principal Mr. Rohloff

Paseo families,

We are down to the “home stretch” before testing and the last quarter of school. Our teachers have been working hard to identify gaps in learning as well as opportunities to enrich learning so that every instructional moment counts. I am so proud to see what our teaching staff has done to maximize the learning experience for the children. In addition, we have some excellent extracurricular events coming up as we close out the school year that include a movie night under the stars, book fair, intramural sports, and the district arts festival. This should be an exciting finish to the school year and we are happy with the foundation we have built coming out of the pandemic so that our students can be successful moving forward!

At Paseo Pointe we R.I.S.E to Success by being Responsible, showing Integrity, remaining Safe and being Engaged.

| Black History Month

Our PreK through 8th grade students studied the most influential African Americans in history. Classes created bulletin boards, completed research projects and presented on individuals from Rosa Parks to Barack Obama. Our Kindergarten through 3rd grade students hosted wax museums where they presented either in person or through recordings.

PBIS

A part of our RISE expectations is responsibility. One way students can demonstrate responsibility is by wearing their school ID. Student IDs must be worn daily and are a part of our school uniform. This supports our staff campus wide including our cafeteria staff and front office. Thank you for supporting our Paseo Pointe team. We are looking forward to a successful fourth quarter!
