Message from our principal Mr. Rohloff

As the first quarter comes to a close at Paseo, we want to express our gratitude for the partnership we have with our community. Without everyone pitching in, we couldn't have been able to pull off events like the Latin Heritage Parade that make it feel like we are "back to normal." As we enter the 2nd quarter, we are proud of the academic growth we have made so far this year, and look forward to having a fun quarter where we learn how different cultures celebrate the holidays as we continue to make great growth in our core subjects. We are also very excited that our governing board approved for our 8th grade classes to go on an annual field trip to Spain starting in 2024 as a capstone experience! Lastly, if you are interested in joining our parent booster club, please fill out the form sent out by Ms. Hurtado or contact her directly. Have a great fall break and go Rams!

At Paseo Pointe we R.I.S.E to Success by being Responsible, showing Integrity, remaining Safe and being Engaged.

We were thrilled to be able to celebrate Latin Heritage Month September 15- October 15th! Our classrooms studied various countries and cultures, and our 6th Annual Latin Heritage parade was a huge success once again! Thank you, families, for all your continued support!

This year at Paseo Pointe our staff and students will continue to RISE to Success. We are Responsible, have Integrity, remain Safe and Engaged. How can you be involved : using the expectations in your home, making sure your child/children are dressed in their uniforms with their school ID, reminding your child/children each day before they leave of the expectations, making sure that your child/children come to school on time every day, as well as asking them if they followed the rules that day and if they received any Ram positives. We appreciate your partnership and are looking forward to another successful school year.
