Message from our principal Mr. Rohloff

It is hard to believe it is already May! Looking back on this year, we have had an incredible journey. Seeing the students grow and their amazing achievements have been a breath of fresh air after a few turbulent years in our society. This is a good foundation since next year will be our first class of DLI students that will be in 8th grade at Paseo. We are hitting our stride and are excited for the future at Paseo! We believe that we will be able to continue to provide a world-class educational experience where students can achieve excellence in all subjects as well as acquire biliteracy in Spanish. I am a firm believer that our amazing teaching staff as well as our family partnerships will allow our students to achieve excellence in the classroom as well as in extracurricular activities.

At Paseo Pointe we R.I.S.E to Success by being Responsible, showing Integrity, remaining Safe, and being Engaged by Empowering Excellence.

It has been an absolute honor for us to be your Instructional Coaches this school year! Thank you all for your continuous support in everything that we do here at Paseo Pointe. Next fall, Maestra Gonzalez, after coaching for the last 5 years, will be serving as our new Assistant Principal and Maestra Hurtado will be joining the teaching staff as part of the 5th Grade team.

We are thrilled to announce our new Instructional Coaches for next year, Maestra Garcia (currently teaching 5th grade) and Maestra Bernstein (currently our Math Certified Teacher Tutor). Please help us welcome them to their new position in our Ram Fam! 🐏💚
