Message from our principal Mr. Rohloff

As the first quarter comes to a close at Paseo, we want to express our gratitude for the partnership we have with our community. Without everyone pitching in, we couldn't have been able to pull off events like the Latin Heritage Parade that make it feel like we are "back to normal." As we enter the 2nd quarter, we are proud of the academic growth we have made so far this year, and look forward to having a fun quarter where we learn how different cultures celebrate the holidays as we continue to make great growth in our core subjects. We are also very excited that our governing board approved for our 8th grade classes to go on an annual field trip to Spain starting in 2024 as a capstone experience! Lastly, if you are interested in joining our parent booster club, please fill out the form sent out by Ms. Hurtado or contact her directly. Have a great fall break and go Rams!

At Paseo Pointe we R.I.S.E to Success by being Responsible, showing Integrity, remaining Safe and being Engaged by Empowering Excellence. .

Our 6th Annual Posadas at Pointe was a wonderful success! Thank you to our teachers for your time and dedication to this beautiful tradition. Thank you to our Paseo Families for your donations, your time and your attendance.

Posadas would not be the event that it is without your continued help and support.

PBIS

We are looking forward to an amazing start to the 2023 school year. What does PBIS look like at Paseo Pointe?

We will be using four consistent school expectations:

- Be Responsible
- Have Integrity
- Remain Safe
- Stay Engaged

Each grade level team at Paseo Pointe has selected an incentive for students to earn in third quarter.

We are looking forward to students demonstrating our RISE expectations.
